When WhatsApp finally got a voice calling feature last year it left us with just one question: when do we get video?.. Because the app runs natively on your desktop, you'll have support for native desktop notifications and better keyboard shortcuts.

The WhatsApp for PC offline installer is available for Windows 10, 8 and 7 and is synced with your mobile device.

whatsapp windows

whatsapp windows, whatsapp windows phone, whatsapp windows 7, whatsapp windows video call, whatsapp windows 7 64 bit, whatsapp windows 7 32 bit download, whatsapp windows 10 video call, whatsapp windows xp, whatsapp windows store, whatsapp windows 7 64

The app itself is quite similar to WhatsApp Web that was meant to be an extension of your phone: the app mirrors conversations and messages from your mobile device.. Official WhatsApp for Windows desktop application allows you to stay in touch anytime and anywhere - whether on your phone or computer at home or work.
